

## **America, the Beautiful**

O beautiful for spacious skies, for amber waves of grain,  
For purple mountain majesties above the fruited plain.  
America, America, God shed his grace on thee  
And crown thy good with brotherhood from sea to shining sea.

## **This Is America**

This is America, America. (4x)  
A land of courage, faith and honor,  
A land of true equality,  
A land of hope and pride,  
A land of unity, a land of liberty.

## **America for Me**

(left 1/2 Pai, Berryhill:)  
America, America, a land of hopes and dreams,  
I love her mountains, fields and plains, her forests and her streams.  
A nation where we all are free, where strength is built on industry.  
America, America, we pledge our hearts to thee.

(Adams, right 1/2 Pai:)  
America, America, united may she stand,  
From snow-capped peaks far in the north to shores of sun and sand.  
Oh may we ever faithful be, and guard the torch of liberty.  
America, America, America for me.

## **Sing, America, Sing!**

Sing, America, sing! Lift up your voice in a song.  
Sing, America, sing! Sing with a voice proud and strong.

With many faces from many places, a joyful message we bring,  
A celebration across our nation, let merry music ring! (Repeat 1<sup>st</sup> two lines)

With songs we greet you, as now we treat you to a world of melodies.  
So lift up your voice in a song, and soon all America will sing along!

## **This Land Is Your Land**

This land is your land, this land is my land,  
From California to the New York Island,  
From the redwood forest to the Gulf Stream waters,  
This land was made for you and me.

(Pai and Berryhill:)

As I was walking that ribbon of highway  
I saw above me that endless skyway,  
I saw below me that golden valley.  
This land was made for you and me.

(Adams and Berryhill:)

I've roamed and rambled and I followed my footsteps  
To the sparkling sands of her diamond deserts,  
And all around me, a voice was sounding:  
This land was made for you and me.

(Adams and Pai:)

When the sun comes shining and I was strolling,  
And the wheat fields waving and the dust clouds rolling,  
As the fog was lifting, a voice was chanting:  
This land was made for you and me.

## **Sing America**

Long ago a promise, another dream come true  
Fired by a faith in what is right  
Human spirit challenge and the opportunity  
Gave us all this land of freedoms light

Come and shout it out loud, shout it out clear! Sing America!  
Let your heart rejoice for freedom is here! Come and sing America!

Every generation, like the one before,  
trying to improve upon the plan,  
Takes upon its shoulders the responsibility,  
making sure that freedom rules the land.

## **We Celebrate America**

We celebrate America, we celebrate our nation  
With hearts and minds in unity, we celebrate our land.

We celebrate America, through fervent declaration,  
We stand here as Americans with freedom hand in hand.

Of thee we sing, across our nation,  
While freedom rings, our voices rise as one.  
With colors true, red, white and blue,  
Our celebration has begun.
